This executive-styled custom ranch features dual covered front porch entrances, providing easy access to the sprawling first floor. You will never want to leave the owner's suite with its spa-like owner's bath and dual walk-in closets. The gourmet kitchen and oversized island flow seamlessly into a spacious breakfast room and giant family room. And the formal dining and living rooms coupled with a first-floor guest suite allow you to live and entertain on one level. Moving upstairs, you'll find two more bedrooms with full bathrooms, a massive 17' by 18' recreation room, and 800 square feet of storage. Did we mention the family-room-sized screened porch with gorgeous views of the heavily-wooded backyard? This home will be ready for you to move in by March 2019!
